

Self-supervision monitoring 2026

Updated report on key observations and measures in 2026.

Observations and measures Q1 2026

Risk management services

Discussed by the Rescue Department's management group on 5 May 2026

Observations	Corrective measure
Risk management services have been implemented in accordance with the decision on the level and standard of rescue services and the accident prevention plan Q1/2026.	
There has been a single deviation in the advisory services provided by the on-call fire inspector during Q1/2026, resulting in a one-day interruption.	The cause of the deviation does not require separate corrective measures.

Observations and measures Q1 2026

Rescue services

Discussed by the Rescue Department's management group on 5 May 2026

Tasks: 2,939

Fires: 293

**First unit, median
response time:
05:43**

**Team call-out,
median response
time: 08:39**

Observations	Corrective measure
<p>Impact assessment of rescue operations</p> <ul style="list-style-type: none"> • Fulfilled 63% • Deviation caused by external reasons in 3% of tasks: most common reasons being a wrong address or traffic obstructions. • Deviation arising from own operations in 2% of tasks. <ul style="list-style-type: none"> • The most serious deviation that occurred compromised safety at work. A flashover occurred in a room that was on fire, causing those entering the room through a door to fall into the stairwell. Fortunately, the incident caused no serious injuries. 	<ul style="list-style-type: none"> ➤ Comments and reminders about shortcomings to the executive fire officers, fire foremen and deputy foremen. ➤ Focusing on ignition prevention and safe attack during hot smoke diving exercises.
<p>A total of 46 missing or incomplete Pronto reports.</p>	<ul style="list-style-type: none"> ➤ Comments and reminders about shortcomings to the executive fire officers, fire foremen and deputy foremen.
<p>A deviation was identified in the monitoring of the physical functional capacity of one contract service provider.</p>	<ul style="list-style-type: none"> ➤ The deviation has been addressed, and self-supervision by contract fire brigades is being developed.
